

# FUNCTIONAL AND PERFORMANCE TESTING

DATE	
TEAM ID	LTVIP2025TMID30677
PROJECT NAME	Cafeteria Menu Display

## MILESTONE 6: Testing

### Testing Service Catalog

1. Open service catalog
2. Click on try it
3. Fill in the menu item , menu name and menu date details
4. And then click on order now

### Testing UI Action

1. Navigate to cafeteria menu table
2. Click on new
3. Fill in the details of menu items, menu date , menu name
4. And click on mark as published

#### PURPOSE:

To ensure that the UI action (button or link) works correctly and performs the intended function without errors.

#### USE:

Testing UI actions like "Assign Asset" or "Return Asset" ensures the system responds correctly to user inputs, improves reliability, and provides a smooth user
